~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Transport Canada (TC) is making changes to its Means of Containment (MOC) registration program and our registration management system. In the past, a pdf version of the certificate of registration was sent by email. Effective immediately, the email below serves as your confirmation of registration. Within an hour of receipt of your email, you will then be able to go to TC website and view the public version of your registration. Please note that only partial information will be posted online. Do not hesitate to notify us if the information on the TC website does not match the attached email.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Your Service Request has been approved.
The following registration has been granted under the Transportation of Dangerous Goods Regulations and related standard. **This email serves as your certificate of registration.**
The registration is limited to the site, standard, functions, conditions, and designs (as applicable), listed in this email.
This Registration may be partially or fully revoked in the event of failure to comply with the scope and conditions of the registration, the regulations and applicable standard.
Transport Canada may verify compliance at any time by conducting a remote or onsite inspection.

Service Request:

Service Request ID number: SR-2025-00004832
Service Request Type: Renewal

Registration information:

MOC registration ID: 26-7-0062
Registration Type: Independent Inspection / Design Validation - Cylinders, spheres or tubes
Issue date (MM/DD/YYYY): 11/25/2025
Expiry date (MM/DD/YYYY): 11/25/2030
Registered Marks: Logo on file

Site Information:

Company Name: Element Materials Technology Cleveland Inc.
Site address: 5405 E. Schaaf Road, Independence, OH, 44131, United States

Scope of registration:

Standard:
CSA B339

Functions:

Manufacture

Uncontrolled If Printed
