safety glazing certification council

Acknowledgement of SGCC Approved Testing Laboratory

This is to acknowledge that as of this date

Element Materials Technology Des Moines, IA

Has met all guidelines and requirements for acceptance as an approved testing laboratory. Approval is based upon an initial audit completed on November 2, 2021.

This approval is for testing services in compliance with the following standard(s) and/or specifications:

ANSI Z97.1 – For Safety Glazing Materials Used in Buildings Safety Performance Specification and Method of Test

CPSC 16 CFR 1201 – Safety Standard for Architectural Glazing Materials

CAN/CGSB 12.1-2017 – National Standard of Canada-Tempered or Laminated Safety Glass

Approval as an SGCC Testing Laboratory is subject to regular re-auditing and continued compliance with program requirements and procedures. Laboratory approval is current and in full effect as of the 29th day of November 2021.
