GE Aerospace

Certificate No: GT1930032619 **Supplier Code:** 58842
Issue Date: Jun 9, 2026

GE Aerospace hereby certifies that for

ELEMENT MATERIALS TECHNOLOGY HARTFC
80 KIMBERLY DR (PO Box 69)
SOUTH WINDSOR CT USA 6074

A review has been completed of their technical resources and quality system controls used for the below named process(es) and found them to be capable of satisfying the requirements of the specifications, subject to the limitations in GE Aerospace Quality Specification S-1000 for Category I or II Suppliers.

This certificate does not in itself constitute a waiver of specification requirements as to inspection, testing, maintenance of records, and/or other provisions of the Purchase Order/Sub Contract, nor does it guarantee the acceptance of articles produced for the General Electric Company. Requirements for the submission and qualification of individual parts/samples or other items as contained in specifications, engineering drawings or Purchase Order will be completed as outlined. Inspection of the facilities for which this certification is granted may be conducted at anytime by a GE Aerospace Representative to determine continued compliance with GE Aerospace requirements.

The Certification shall expire on the date below unless canceled by a GE Aerospace representative.

Expiration Date:	**June 30, 2027**
