FAO: Quality Manager: Mark Sprague**Subject: Amendment of Leonardo Helicopter Division Supplier Approval**

Dear Sir/Madam,

Please find enclosed an amended Leonardo Helicopter Division **"STATEMENT OF APPROVAL No. LH/1784"** and **"Scope of Approval"**, incorporating the changes detailed below.

Your amended Approval Scope defines the type and scope of approval for products and/or services you may supply in furtherance of any Leonardo Helicopter Division contract and supersedes all previous issues.

Your approval as a Supplier to Leonardo Helicopter Division remains at all times conditional upon your Company's continued compliance to both Leonardo Helicopter Division's QRS01 'Quality Requirements for a Supplier' and our Purchase Order requirements. Failure to comply with these requirements will result in the removal of your approval as a supplier to Leonardo Helicopter Division.

In addition, approval of your Company's Quality Management System by Leonardo Helicopter Division SQA shall not relieve your Company of its own responsibility to supply products conforming to the requirements of any Leonardo Helicopter Division Purchase Order/Contract and/or Agreement.

The changes / extensions in your scope are as follows:

- Change of Company Name

If any of the details of your Approval are erroneous, please inform Pier Paolo Bertucci email: pierpaolo.bertucci@leonardo.com as a matter of urgency.

Yours faithfully,
For Leonardo Helicopter Division

Head of Quality System
