Subject: 2025 Testing Laboratory Re-Accreditation

Hello Jeff:

The APC reviewed the responses to the required action items of your June 2025 periodic review (inspection) of your thermal testing and have approved your lab for re-accreditation.

A Certificate of Accreditation (with a two year accreditation) is included on the following page so that you can print out and use as needed. If you have any questions or concerns, please contact me, or Scott Hanlon, to discuss.
